The Guernsey and Muskingum Boards of DD are partnering to create a Family Support & Social Group. Our kick-off event **Tom's Ice Cream Bowl**, located at **532 McIntire Avenue in Zanesville**. Future sessions will be held quarterly and will alternate locations between counties. The goal of the group is to offer social interactions, support from fellow parents, and education on topics selected by the participants.

Happy Messy Play will have several messy and sensory stations for children to interact with in the Tom's patio area. You may purchase ice cream to enjoy during the event.

Please RSVP to your SSA, EI staff or to Jenna Conaway at 740-439-4451 Ext 6821.
