

**Princess Within Special Needs
Noncompetitive Pageant**

Saturday, October 17, 2026 12pm – 2pm

Hosted at the Hartville Kitchen at 1015 Edison Street NW.
Hartville, Ohio

Every girl is a princess and true beauty comes from within, which is the theme of this pageant. This pageant is not a competition, we celebrate each girl's God given inner beauty. We are all different with different talents and beauties.

We have law enforcement officers, military men and women, and first responders who are generously volunteering their time to escort each princess across the wheelchair accessible stage where she will be first introduced based on the questionnaire which you will fill out. Then after entertainment, each lady will be crowned as a Princess.
