Free IEP and 504 Binder Workshop offered by LEAD Special Education Advocates

Whether your child was just identified, or you have been navigating special education for years, this workshop is for you.

Yes, we will help you build an IEP binder. But this is about so much more than organizing paperwork. We are talking about:

- ✓ Your rights as a caregiver under IDEA and Section 504
- ✓ What schools are required to provide, and what to do when they do not
- ✓ How to prepare for meetings so you walk in confident, not overwhelmed
- ✓ Real talk from advocates who are caregivers too

No experience needed. No cost, ever. Just bring yourself, your questions, and we will handle the rest. Materials provided!

SEATS ARE LIMITED, so grab yours today. Tag a caregiver who needs this!

Sponsored by L.E.A.D. (Learn. Empower. Advocate. Discover) which is a caregiver-founded organization offering free special education advocacy, IEP/504 guidance, and family coaching specifically for Ohio families. You can connect with their services or book a consultation directly through [their website](#).
